## Architects meet in Fuoribiennale\_now>next 4th Edition

*May 26th and 27th: two days of talks, conferences, meetings, drink&party*

Palazzo Widmann | Calle Widmann | 30121 Cannaregio, Venice

During the opening days of the 15th International Architecture Biennale, in Venice, the event **Architects meet in Fuoribiennale\_now>next** proposes a reflection on the Architecture of the next 5 years, trying to answer the following questions:

- *Does an architecture beyond the so called Star Architects System exist?*
- *In this dimension, what is the contribution of Practice to the committed architecture in Europe?*
- *Can the future of Architecture be designed by Good Intentions?*
- *What is the state of young architects and critics in Italy?*

**26th of May**  
**/2.30 pm - 9 pm**

### **INpractice\_the state of committed architecture in Europe**

*Conferences, round table, meetings - book launch*  
*Ideated by AIAC - A10 - Gnosis Architettura*

**37 countries** and over **100 practices** have been involved in **IN practice**, the first research project that will compose a high-profile international network, curated by **AIAC** - Italian Association for Architecture and Criticism - in collaboration with the magazine **A10** new European architecture and with the scientific contribution of **Bureau Europa**, is promoted and

supported by *Gnosis Architettura*. The goal of IN practice is to research innovative practices that are cleverly (re)shaping the world and to highlight qualitative architecture in Europe in order to provide a source of inspiration for the younger generations.

In Venice, 37 Practices are invited to show projects and experiences. This will be the occasion for the official launch of the book "*IN practice. The state of committed architecture in Europe*". More than 300 pages that feature projects, sketches, writings and critical essays: a varied and complex mosaic that represents the state of committed architecture in Europe.

**27th of May**

**/10.30 am - 1 pm + ceremony at 9 pm**

**Young Italian Architects + Young Critics Contests**

*Lectures, meetings, awarding ceremony*

*Ideated by presS/Tletter\_ AIAC - professioneArchitetto*

The finalists of two Italian contests - launched by *presS/Tletter\_ AIAC* and *professioneArchitetto* - focused on under 35 talents (**Young Italian Architects 4th edition** and **Young Critics 6th edition**) will present their work and receive a special award. The winners were selected by **Massimiliano Fuksas, Hans Ibelings, Luigi Prestinenza Puglisi, Carlo Ratti, Benedetta Tagliabue, Indira van't Klooster, Arthur Wortmann.**

On this occasion the editorial staff of **Deleyva Editore** delivers the *Prize "DiaStizein" for the theory of Architecture* to one of the ten finalists of the Young Critics 2016, which will consist of a formal commitment to draw, along with the winner, a path capable of reaching the drafting and subsequent publication of a pamphlet inspired by the award-winning essay.

**/2.30 - 9 pm**

**Good Intentions\_Architects and critics discuss about the future of Architecture**
